Mr. Weisberg:

After reading a number of books on the Kennedy Assassination I have become very interested in the "coverup" of the Warren Comm. I have started to collect all the various books on the subject and compiled a bibliography of approximately 50 titles, Only 30 of which I have been able to secure. Most of the others are out of print or unheard of. I have your original "Whitewash", but I have been informed you have written 3 others: "Whitewash II", "Photographic Whitewash", & "Oswald in New Orleans".

According to my sources, "Whitewash I" was published by Dell; & "Oswald in N.O." by Canyon Books. Dell tells me that it is out of print and no one has ever heard of canyon Books. Could you tell me where I can obtain your other books.

Your help in this matter would be greatly appreciated

Thank you for your time,

Sincerely,

M.J. Smith
